<p>I was caught passing a note to the dorm next door. The Sergeant who caught me (Sgt. Caldwell) put her hands around my throat & choked me for about 30 seconds & slammed the back of my head into the cement wall. I deserved a write up for my action, but brutality was not called for. I want to know why this happend & why it's allowed.</p>

Explain Need Below:

I. Thomas T Parks was Beaten, Tortured, Tazered and sprayed in the EYES 2 times by Sgt. Caldwell, Deputy Lamey, Deputy Reperson and F.T.O. Blacker ship all because F.T.O. Hester was working in the Tower and she miss identified me with another inmate. She claimed that I came out my Room at an unauthorized time but in all actuality, it was my Designated time to be out. (check log Books) (on 11-22-05 I'm located in B/E cell 233) My reason for this Grievance is to advise whom's ever in charge, "that I was wrongfully beaten for no reason, and I'm scared for my life from the above said officers."

Explain Need Below:

The whole section of D/F has a complaint on Officer Perez. He comes in to work hung over with a chip on his shoulder and takes it out on the inmates he don't like or the ones he thinks is weak. He curses everybody and slams doors ~~every~~ all day just so he can make somebody mad so he can spray them. It's very ~~unprofessional~~ unprofessional and it's abuse of authority. Please check into this ~~over~~ over. He has come to my cell, telling me I talk to much. I need to shut up. I am forty two year old. I almost have to take this. I am in fear of my wife.
